

SMART LUXURY

944's 2008 Holiday Gift Guide

WHILE WE ALL GET BACK TO BASICS AND APPROACH THIS SEASON WITH OUR THOUGHTS ON CHARITY, KINDNESS AND HUMILITY, WE THINK IT'S STILL IMPORTANT TO DREAM BIG AND GIVE THOUGHTFULLY. HAPPY HOLIDAYS!

"This year, I'm channeling my inner spotted rockstar — and although some would contend that I always do that, I'm really feeling it this year. That means anything that feels good to the touch and would be right at home in said rockstar's fiber-luxury hotel suite while on tour. OK, so it's a little indulgent, but who could resist the best vintage champagne, a buttery leather YSL jacket and a 14k-gold bullet necklace that's the very definition of haute rocker? As for the guitar, I don't really know how to play, but it will look great at my pad alongside the awesome recycled placemats. That's right, this rockstar is an avid recycler and might just drive a pumped-out Prius."
